

**"How Faith Changes Lives"
Student's Weekend
Bill Haslim // Apr 28-29, 2018**

INTRODUCTION

This weekend was Student's Weekend where we heard testimonies from four of our graduating seniors who shared a little about their spiritual journeys and their high school experiences.

DISCUSSION QUESTIONS

1. If you had the chance to get up in front of our church and share a bit of your spiritual journey like our students did, what part of your story would you share?
2. **Read James 2:22.** How have you seen God help you to bring your faith and actions to work together?
