TEXT

Isaiah 58:9-12 & 14 (The Message)

"I'll make you feast on the inheritance of your ancestor Jacob."

Yes! God says so! Isaiah 58:14 (The Message)

TAKEAWAY

1. God is trying to build the church as an invisible city inside the visible cities we live in.
2. People through history have connected enterprise/marketplace as an expression of life that naturally connected their heart of God with the needs of the world.
3. The works of Ministry are free and therefore our collected finances/time/gifts can be used to truly help those around us.
4. Jacob's inheritance is the promise of God's blessing and we are promised the same thing as we do the works of God in the struggling world.

TALK (Take Notes from the Video)

TURN IT UP (Questions to talk through)

1. Building our businesses or careers is supposed to be leveraged in kingdom building. How have you processed your 'work' as your calling? Where have you felt a disconnect between your work and your calling to help those around you?
2. God teaches us that as we do unto the least, we've done unto Him. How can this understanding move us deeper into relationship with God and people around us? What are your tensions in this understanding?
3. As God moves up and down the ladder into your schedule, your wallet, your future dreams, what potential thoughts are coming to mind?
