TALK (Take Notes from the Video)

TURN IT UP (Questions to talk through)

1. Start and end you day with thankfulness all the time. Hugh reminds us that God gives us breath every morning, we are not self-reliant. What areas of your life do you need to thank God for His reliance?
2. Let thankfulness be your plumb line. If you have even the basic necessities of life, be thankful. What basic needs do you have that maybe you take for granted?
3. Transcend the normal concerns of the world. In Philippians 4: 6-7 it says "be anxious about nothing". We are to be men that live *way above it all* because of our faith. What areas are you anxious about that you need to transcend?
