TALK (Take Notes from the Video)

## TURN IT UP (Questions to talk through)

1. Hugh shared three main thoughts he got from the Lord at the turn of a new year. What are the one or two lightbulbs that went on for you personally this last year?
2. As Hugh talked about the realistic context that death gives over the words of scripture, does that challenge you or create more faith? Why?
3. Your body is your job! Your health matters to everyone around you and God desires your temple to be clean and active. Share any plans you've made this year for both health and holiness.
