

## Men's Fraternity

"Wisdom is Promised"

Hugh Halter / January 20, 2021

### FIRST TAKE

"High OR Low." Share your relational HIGH and LOW from the last week. (\*This could be related to family, work, faith, etc.)

### TEXT

James 1:1-5

### TAKEAWAY

- James gives us many practical encouragements for when we are going through trials. One of the biggest helps he promises is wisdom.
- The only reason God would not grant you wisdom, would be because you don't believe he will or that you trust other people and other wisdom more than him and his wisdom.
- A true mark of God's presence in a man's life is stability.

TALK (Take Notes from the Video)

## TURN IT UP (Questions to talk through)

- 1) Name all the people or mediums you consistently look for wisdom from. Why do you trust those sources?
- 2) Hugh threw it out that Jesus isn't just your Savior but he's the smartest, most wise person that has ever lived. How should that affect your prayer life and how you go about making decisions?
- 3) Describe a time you felt God's wisdom led you against the dominant voices that were around you. How did you handle that and what happened? Or describe a time you listened to the voices around you instead of God. How did that go?
- 4) Hugh said, a mark of God's wisdom upon a man is 'stability.' Do you feel stable right now? How can we pray for you today and this week over key decisions you're making?
