

New Sponsorship Information

(to be completed and returned to Child Sponsorship Coordinator)

The cost to sponsor a child for one year is \$480 or \$40 per month. This amount is subject to change annually as conditions in Ethiopia may impact the cost of providing basic student services. You will be provided with instructions on how to make your sponsorship donations. Child sponsorship is a multi-year commitment to support a child's education, spiritual development and physical well-being. This includes praying for your sponsored child and writing to them twice a year when prompted by the Sintaro Leadership Team. If your circumstances change please notify us and we will assign a new sponsor to your child.
