

SERVE DAY 2020
October 4, 2020 // Tyler Scott, Lead Pastor
www.cpcdanville.org

This weekend more than 1,000 of you gave of your time and talents to make blankets, knit hats, and even organize crayons and eye glasses. You wrote cards and notes to teachers, military families and seniors. You helped San Francisco City Impact and City Team Oakland. Some of you built desks and assembled sinks. And many of you gave gift cards and donations for First Responders and those impacted by the fires. You served. God positioned you and me at this moment in time, and gave us unique giftings to serve the hurting, broken, and needy around us. Serve Day weekend comes once a year, although every day we have opportunities to serve. Let this weekend inspire you to carry the heart of Serve Day into every day.

As you reflect back on this weekend, gather with your family, friends or small group and take some time to talk about these questions.

DISCUSSION QUESTIONS:

1. Do you have a Serve Day story you can share?
2. What is your most valuable take-away from the Serve Day experience?
3. What are some ways you can continue to serve throughout the year?

"For even the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many." Mark 10:45
