MISSIONS

SINTARO, ETHIOPIA

SEPTEMBER 26–OCTOBER 6, 2019

As part of our commitment to Sintaro Village, our hope is to impact the lives of villagers through education, clean water and community development. Child Sponsorship directly impacts the lives of young children and breaks the cycle of poverty in Sintaro for generations to come. CPC's bi-annual visits are important to maintain our relationship with the village and these trips provide a hands-on experience that will change your life!

To date, we are providing an education for 350 children. If you are a teacher or love to teach and/or hang with students, we will be focusing on working with our sponsored students on their English. This is very important as their eighth grade testing is all done in English.

Consider joining us!

TRIP COSTS:

Trip total: Airfare (approx $1200) + $1100*

Besides airfare, your investment includes transportation, lodging, meals & activities while in Ethiopia. Additional costs include travel insurance, Ethiopian Visa and meals en route.

*Scholarships are available if you're in need of financial assistance.
